## ANOTHER STAKE FOR SCHORR.

Always after heavy rains and just as the track is drying out is when judges of horse racing have their troubles. Some horses run well in thin, slushy mud; some like deep, sticky mud; others like lumpy going, and, in fact, almost every different horse has his likes and dislikes in regard to track conditions. This leaves a loophole for owners who do race their horses inconsistently, and is the cause of so-called form reversals in many instances.

The going at Hawthorne yesterday was of several different varieties, being deep in close to the inner rail, lumpy about ten feet from the rail, slow in the center of the track and streaky further out. Under these circumstances it is no wonder that form calculations were upset, some horses improving suddenly and others running below expectations. Two horses, Rollins and Annowan, improved to such a degree as to make them win while in their previous races both were beaten off.

Rollins' improvement can be explained on the ground that he is a bad horse at his best, being strictly a front runner and one that wants to and has to win running away if he wins at all.

Just as old Redskin was fond of little "Bobby" Hothersoll, Rollins seems to have taken a liking for little Willie Waldo, and both times this youngster has ridden him he has been first past the post. R. Narvaez was up on Rollins the last time he started, and the same kind of horses he was in with yesterday beat him away off. In that race he was backed from 4 to 1 down to 3 to 1, being a good indicator that there was "something doing," but yesterday he opened at 8 to 1 and receded to 15 to 1, being cut to 13 to 1 at post time by sentiment players who follow Master Waldo. Rollins broke near the front, but was soon leading his field and won all the way. His owner had a five-dollar note on him at 15 to 1.

Jockey Narvaez and the stable of Mrs. Zuehlke were suspended, pending an investigation of Rollins' marked improvement.

Horses from the Schorr stable with Tommy Burns up have quite a shade in their favor and for the second time within two days they have captured the stake events. Farmer Bennett, at 3 to 1, cantered home in front of Gold Badge, Odnor and Matin in the Test Stakes, which was for two-year-olds at five and a half furlongs with a value of \$1,800.

Farmer Bennett is a good, game youngster and had to be to win, as he encountered all kinds of bad racing luck, being shut off no less than three times, but this did not seem to bother him to any great extent, and when he had clear sailing in the stretch he went to the front like a shot and at the winning line was two and one-half lengths in front of Gold Badge, who nosed the favorite, Odnor, out for the place.

Out of the first event, which was a seven-furlong dash for three-year-old fillies, came a rattling good finish, Mitten, a 10 to 1 shot, beating the 1 to 3 favorite, Scarlet Lily, by a breath. The latter was the best, but Dupee got her anchored in the deep going down the backstretch and also on the far turn and this was too great a handicap for her to overcome.

Popular Pat Dunne, with Vain and Alcedo, captured the second and third races. Both horses were well backed and the ring was hit hard on their account.

There will be a sale of horses in training at 1 o'clock next Saturday in the Hawthorne paddock. J. J. Marklein and "Bob" Tucker will weed out their stables.

Jockey Vandusen will be an addition to the riding talent next week.

## HARLEM'S STAKE PROGRAM.

Secretary Nathanson, of the Harlem Jockey Club, pronounced last night the dates upon which the Stake events will be run at the Harlem spring meeting, which will open Saturday, June 9. They are as follows:

Saturday, June 9, The Austin Stakes, for three-year-olds and upward, 1 1-16 miles, \$2,000.

Tuesday, June 12, The Proviso Stakes, for two-year-olds, 5-8 mile, \$1,800.

Thursday, June 14, The Illinois Stakes, for three-year-olds and upward, 3-4 mile, \$2,000.

Saturday, June 16, The Youngster Stakes for two-year-olds, five furlongs, \$1,800. The Derby trial special stake will also be run June 16.

Tuesday, June 19, The Chicago Stakes for three-year-olds and upward, one mile, \$2,000.

Thursday, June 21, The Junior Stakes for two-year-olds, 5 1-2 furlongs, \$1,800.

It will be an overnight sweepstakes and it should be worth nearly \$1,500 to the winner. This stake event is similar to the Senior Stakes of 1898, run at Harlem and won by Warrenton, who ran second to Pink Coat in the American Derby that year.

From the above it will be seen that June 16 will be a gala day at Harlem, as practically two stake events will be contested that afternoon. The Derby trial stake will be at 1 1-8 miles, and in it it is highly probable a majority of the American Derby candidates will take each others' measure. This race was a devised one by Mr. Nathanson at the solicitation of horsemen who have thoroughbreds entered in the American Derby.

In this year's trial event the following horses are among the probable starters: Lieutenant Gibson, Advance Guard, Florizar, All Gold, Yellow Tail, Imp, John Baker, Warrenton and other good ones now on their way to Harlem.

The Chicago Stakes at one mile on Tuesday, June 19 will also be in the nature of a Derby tryout.

Books for the Harlem spring meeting will be issued by Secretary Nathanson early next week. They will provide for steeplechase races on Mondays, Wednesdays and Saturdays of each week. The long course over the timber will be two and one-half miles in length, and the short course will measure one and three-quarter miles long, both finishing upon the inside track.

## JOHN BRIGHT.

John Bright, who is undoubtedly the best handicap horse in the west, will most likely be shipped to Sheephead Bay and race in the great Suburban Handicap, which will be run the middle of June. John Bright is in the Suburban with 119 pounds, and, from his present form, he has a great chance to capture the classical event. At present the son of Sir Dixon is in grand form, and if he does not go off, and starts in the Suburban, he has a royal chance to win it. John Bright's clever handling of his 127 pounds in the Turf Congress Stakes marked him a grand horse, especially as the going was very heavy and would have been sufficient to have beaten any horse but a first-class animal.

F. S. Goodwin, of the Official Turf Guide, was a visitor at Latonia yesterday, and saw John Bright win the Turf Congress Stakes in such race-horse fashion. In speaking of John Bright, Mr. Goodwin said:

"John Bright has a great chance to win the big Suburban Handicap, as he only carries 119 pounds, and, in his present form, is the equal, if not the superior, of any handicap horse in the country. I am of the opinion that if he retains his present form until the Suburban is run he will win this event, and Jean Beraud, Ethelbert and Imp can not give him eight or nine pounds and a beating. He is too good a horse at present, and his owners will do well to ship him to Sheephead Bay at once so as to keep him on edge. I am pleased to see Latonia doing so well, and the crowd reminds me of the old days. This is a fine showing for such a threatening day."—Cincinnati Commercial-Tribune.

Winner—Br. f, by King Eric—Tara Blackburn.  
Went to post at 2:15. Off at the first break to a good start. The first two were driving hard and out to the last ounce; third and fourth were doing their best. Mitten, fairly well ridden, barely lasted long enough to stagger home. There was a great deal of luck connected with her victory. She had the best of the going all the way and also had clear sailing. Scarlet Lily was undoubtedly the best. She got anchored in the deep going on the far turn and dropped back to sixth place. Dupee then took her out in the center of the track in the good going and the filly closed a big gap rapidly. Considering it was Myrtle Gebaur's first start this season she made a good showing. Zeriba showed plenty of speed, but swerved badly in the stretch. Fannie Leland was short. Giftie was on the inside in the worst going all the way.

Mitten, place, 3 to 2; show, 3 to 5. Scarlet Lily, place, out. Myrtle Gebaur, show, evens.

Winner—Ch. g, by Wagner—Vanity Fair.  
Went to post at 2:45. At post 5 minutes. Start good. Won easily; second and third handsly. Vain was well ridden and apparently outclassed his field. He never was fully extended and from the head of the stretch home fairly played with the others. Alice B. made up a lot of ground suddenly from the half mile post to the head of the stretch and ran a good race. Innovator did not seem to have the same dash and vim about him as he did in his last race when he ran away from Braw Lad with more weight up. Shrove Tuesday was anchored in the deep going all the way. Tayon broke flying and showed a sharp turn of speed.

Overweights—Vain, 1 pound.

Winner—B. c, by Esher—Eloquence.  
Went to post at 3:15. Off at the first break to a good start. Won easily; second the same, third driving. Alcedo took the longest route, but by doing so avoided all interference and got the best of the going. For an instant at the head of the stretch Alcedo was under pressure, but at the paddock he passed Larkspur like a flash and at the end was eased up. Larkspur had no excuses and about ran her race. Donna Rita closed a tremendous gap in the stretch. This mare is rounding into form and will probably win a race soon. Maleise showed a lot of speed and with a better rider up would have been third. Boland rode a bad race on Hard Knot. He had him in and out and all over the race track. Do not count this race for Hard Knot and mark him for early action when the track becomes dry. The others are not worthy of mention.

Overweights—Orlandine, 4 pounds; Larkspur, 11.

Winner—B. c, by Florist—Highlander Mare.  
Went to post at 3:45. At post 6 minutes. Start good. Won easily at the end after an early drive; second and third were under keen pressure. Farmer Bennett was the best and had to be won. It looked as though the other jockeys were trying to see how often they could shut Burns off and three different times when he tried to get through was he impeded. Burns finally took Farmer Bennett around and in the last sixteenth the colt passed the others like a streak. Gold Badge ran his very best race and outgamed Odnor for second place. The battle between this pair was a terrific one. Odnor may possibly have been a trifle short and he did not seem to like the going. Matin stopped badly in the stretch.

Scratched—18140 In Shot, 99.

Winner—B. g, by Fresno—Rosette.  
Went to post at 4:15. Off at the first break to a good start. Won driving, and out to the limit. There was a busy quartette behind the winner. Rollins found the track to his liking and fairly ran away with little Willie Waldo. He is a peculiar gelding, and always runs best when Waldo handles him. His race was much better than it was the last time he started with Narvaez up. Trimmer ran a good honest race and on him Miller rode his first good race at the meeting. He picked the best going and steered clear of all interference. Walkenshaw lost much ground by making a wide stretch turn, but this was made up by the advantage gained in the going, and the horse finished strongly. Vincennes can be marked to win in such company. He was short and needed this race. The Elector was never dangerous. Neither was Ollie Dixon, who showed no more speed than a cow. Bishop Reed was prominent all the way.

Scratched—18054 Donation, 106; 18054 Rosavannah, 100.  
Rollins, place, 5 to 1; show, 2 to 1. Trimmer, place, 2 to 1; show, evens. Walkenshaw, show, evens. Ollie Dixon, place, 7 to 5; show, 3 to 5.**18177** SIXTH RACE—1 Mile. Purse \$400. \$75 to second; \$25 to third. 4-year-olds and upward. Allowances.

Winner—Br. c, by Logie—Annona.  
Went to post at 4:50. Off at the first break to a good start. The first two were driving and staggering. Annowan came to life suddenly and ran a really good race. He was well ridden and stood a hard drive from the head of the stretch home gamely. Teucer made a strong bid at the end, but could not quite get up. Galileo was hand ridden all the way and finished stoutly. The Lady in Blue ran a fast half and then retired. She is a flashy filly and is not much at her best.

Whatever chance Semper Eadem had was ruined on the turn entering into the backstretch. Here Boland on Teucer shut the filly off, causing Silvers to pull up almost to a standstill to keep from going down.

Overweights—The Lady in Blue, 24 pounds.  
Annowan, place, 2 to 1; show, evens. Teucer, place, 9 to 5; show, 7 to 10. Galileo, show, 9 to 1. The Lady in Blue, place, 3 to 5; show, out. Semper Eadem, place, 3 to 5; show, out.

Went to post at 2:30. At post 8 minutes. Start good. Won handily; second easily. The winner was much the best, liked the going and could have won by a greater margin but Crowhurst dropped his head a sixteenth out and was compelled to hustle at the end to stall off Glen Lake's rush. The Light ran her best race. Irish Jewel liked the going and closed strongly. H. S. Tobacco pulled up slightly lame.

Winner—B. h. by Knight of Ellerslie—Spaldie.  
Went to post at 4:05. At post 1 minute. Start good. \*Won driving; second the same. Littlefield never made a move on the winner until he struck the head of the stretch, then his mount showed a grand burst of speed and just got up in the last stride. Guldren ran a fine game race at the weights and might have won had Odum got away well. He had Knight of the Garter beaten in the last sixteenth. The latter was overweighted. Pupil showed well for a half mile and was eased up.  
Scratched—18087 Maximo Gomez, 125; 18155 Survivor, 126; 18155 Half Time, 117.
